

## Supplier self-disclosure

### Advices

Please print this PDF-document and fill it out completely.

After completing the form, please sign it, stamp it and send it to the address you can find at the bottom of this page.

Questions part 1		
<b>Company data</b>	Name:	
	Address:	
	Nation:	Language(s):
	Telephone:	Telefax:
	Internet:	E-Mail:
<b>Contact Persons</b>	CEO:	
	Finance department:	
	Production manager:	
	Quality Representative:	
	German Representative:	
<b>Company</b>	Corporate Structure:	Founding date:
	Further production plants:	
	Owner:	
	References:	
	Do you supply competitors? If yes, which ones? <input type="checkbox"/> Yes: _____ <input type="checkbox"/> No	
	Expected annual turnover [€]:	Export rate [%]
<b>Staff [number]</b>	Number of employees:	Construction / development:
	Administration:	Production:
	Quality Assurance:	Tool Manufacture:
<b>Quality-management</b>	QM manual: <input type="checkbox"/> Available since <input type="checkbox"/> Currently in process <input type="checkbox"/> Not available	
	QM System ISO 9000 ff.: <input type="checkbox"/> Certificated since <input type="checkbox"/> In planning <input type="checkbox"/> Not planned	
	Work and procedures instructions for important processes: <input type="checkbox"/> Available <input type="checkbox"/> Not available	
	Experiences with military quality-auditing services: <input type="checkbox"/> Available <input type="checkbox"/> Not available	
<b>Outgoing Goods Inspections</b>	Do you carry out 100 %-tests at your outgoing goods inspection? <input type="checkbox"/> Yes <input type="checkbox"/> No	
<b>Product Liability Insurance</b>	Yes <input type="checkbox"/>	
	No <input type="checkbox"/>	
	Amount insured [€]:	

## Supplier self-disclosure

Questions part 2										
<b>Products / Technology</b>	Product range:									
	Main technology:									
	Other technologies:									
<b>Technical equipment/ Machinery</b>	Number of machines: _____ Average age of the machines: _____									
	Metal-machining Methods: <table style="display: inline-table; vertical-align: top; margin-left: 20px;"> <tr> <td><input type="checkbox"/> Sandblasting</td> <td><input type="checkbox"/> Sawing</td> </tr> <tr> <td><input type="checkbox"/> gas cutting</td> <td><input type="checkbox"/> Laser cutting</td> </tr> <tr> <td><input type="checkbox"/> Edging</td> <td><input type="checkbox"/> Cutting</td> </tr> <tr> <td><input type="checkbox"/> Blanking</td> <td><input type="checkbox"/> Chipping (turning, milling)</td> </tr> <tr> <td><input type="checkbox"/> other procedures:</td> <td></td> </tr> </table>	<input type="checkbox"/> Sandblasting	<input type="checkbox"/> Sawing	<input type="checkbox"/> gas cutting	<input type="checkbox"/> Laser cutting	<input type="checkbox"/> Edging	<input type="checkbox"/> Cutting	<input type="checkbox"/> Blanking	<input type="checkbox"/> Chipping (turning, milling)	<input type="checkbox"/> other procedures:
<input type="checkbox"/> Sandblasting	<input type="checkbox"/> Sawing									
<input type="checkbox"/> gas cutting	<input type="checkbox"/> Laser cutting									
<input type="checkbox"/> Edging	<input type="checkbox"/> Cutting									
<input type="checkbox"/> Blanking	<input type="checkbox"/> Chipping (turning, milling)									
<input type="checkbox"/> other procedures:										
<b>Welding Technology</b>	Welding processes:									
	Welding certificates:									
	Welding examinations:									
	Welded materials:									
	Weld seam testing:									
	Welding supervisor:									
<b>Coating Technology</b>	<input type="checkbox"/> Coating is possible <input type="checkbox"/> Coating is not possible									
	Size of the enamelling line:									
	Pre-treatment method:									
	Coating methods:									
	Facilities for drying:
